Date: July 15, 2026

Subject: Provincial Funding Reduction

Voting Entitlement: Unweighted Vote

Purpose: To recommend that the Board send a letter to the Ministry of Housing and Municipal Affairs in response to the province's recent reduction in funding for large urban libraries.

Executive Summary:

The Ministry of Housing and Municipal Affairs has reduced funding for "large urban libraries" from \$1.78 per capita to \$1.62 per capita for certain regional districts, resulting in a \$45,742 reduction to the ORL's annual provincial funding. This report provides a discussion of the recent change, and recommends the Board send a letter to the Ministry, expressing disappointment with this change and the lack of communication in its roll out.

Recommendation:

THAT the Board instruct staff to send a letter to the Ministry of Housing and Municipal Affairs in response to the recent provincial funding reallocation, as discussed in the CEO Report dated July 15, 2026.

Background:

In BC, public libraries fall under the Ministry of Housing and Municipal Affairs. The Public Libraries Branch (PLB) administers annual provincial funding. The total annual provincial budget for public libraries is \$14 million, distributed between BC's 71 library systems, and various federations and associations that support the sector. Public libraries receive their provincial funding in the form of four annual grants (Per Capita, Resource Sharing, BC OneCard, and Literacy and Equity), which are distributed concurrently in the late spring.

The ORL received its *Public Library Grant Award Letter* (Attachment 1) on June 22, 2026. With no prior communication from the province, ORL Leadership staff were surprised to see the Per Capita grant amount was \$45,742 lower than anticipated. CEO Danielle Hubbard contacted the Public Libraries Branch for an explanation and was provided the *Public Libraries Provincial Grants Allocations: 2026 Grants* document (Attachment 2).

Page 9 of the *Public Libraries Provincial Grants Allocations: 2026 Grants* explains the "reallocation" of provincial funding. In a nutshell, the province has reduced per capita funding for "large urban libraries," ie. libraries that provide service to "urban regional districts" from \$1.78 to \$1.62. Within the ORL service area, the Regional District of Central Okanagan has been deemed "urban," while our other three regional districts are deemed "rural," and have maintained their previous annual per capita funding rates.

Prior to this year's reallocation, the province provided 4.4% of the ORL's annual operating budget. After this change, the province now provides approximately 4.1% of our annual operating budget. From this perspective, the reallocation is almost immaterial. However, Leadership staff recommend that the Board send a response letter to the Ministry of Housing and Municipal Affairs for the following reasons:

1. A reduction in provincial funding is extremely disappointing, especially after the advocacy work done by the ORL, other libraries, and UBCM to request *increased* provincial funding; and
2. The complete lack of communication from the province prior to distributing the annual grants.

To this second point, it should be noted that, when pressed, the Public Libraries Branch rationalized this reallocation by stating a commitment to preserving stable funding for rural communities. While ORL Leadership is sympathetic to this goal, the complete lack of communication remains problematic, especially considering we were already halfway through 2026 by the time we were made aware of the reduction, and planning for the 2027 budget was already underway.

For additional context, 13 library systems have been impacted by the provincial reallocation: Burnaby; Coquitlam; Fraser Valley Regional; Greater Victoria; New Westminster; North Vancouver City; North Vancouver District; Okanagan Regional; Richmond; Surrey; Vancouver; Vancouver Island Regional; and West Vancouver. The impact per system varies from \$6,000 to \$120,000, with an average impact of \$47,000, and a total collective impact of \$563,000. The CEOs of all the impacted systems have collectively requested a meeting with senior Ministry staff to express our disappointment and discuss what the future will hold. At the time of writing, there has been no response from the Ministry.

Strategic Plan Alignment:

1. Strive for organization and service excellence.

Also, in accordance with conditions placed on all government grants, the ministry will reclaim any portion of the grant should the library not use the funds received for the purposes outlined in this letter. The library is required to engage the ministry on any change to the expected use of the funds as discussed.

To maintain ongoing provincial funding, your library must submit the following reports:

Strategic Context

Provincial funding for library libraries aligns with the goals and actions outlined in *B.C.'s Strategic Plan for Public Library Service*, with an ongoing focus on increasing capacity, improving accessibility of library collections and strengthening governance. Public libraries are vital for healthy, connected communities, supporting diversity, learning, and digital access.

The provincial funding recognizes the strategic importance of libraries as community anchors that help eliminate barriers—social, financial, physical, and structural—by providing access to resources, information, people and technology. Investing in libraries through this framework fosters community resilience, equity, and collaboration.

Provincial grants remain at \$14 million for our 2026/27 fiscal year. PLB remains committed to ensuring that libraries receive funds in a timely manner and that funding for key province-wide services continue to support libraries across the system.

Appreciation

We sincerely thank library boards and staff across the province for the care, effort, and passion you bring to your work every day.

Through your dedication and collaboration, people in your communities have meaningful access to knowledge, connection, and opportunity. Your contributions are vital as we continue building equitable and innovative library services for British Columbians.

If you have any questions about this letter or grant use, please do not hesitate to call 1-800-663-7051 or email publib@gov.bc.ca or reach out to me directly at mari.martin@gov.bc.ca.

Appendix: Per Capita Operating Grants Detail

The Per Capita Operating Grant amounts are calculated using 2021 Census population data. The per capita rate for large urban service areas has been adjusted from \$1.78 to \$1.62. All other rates remain the same as in previous years.

Table 3 below shows the rate for each library type and population tier, and Table 4 shows the grant breakdown by library service area.

Table 3: Per Capita Operating Grants Tiers

Library Type	Service Area Population	Rural/Urban	Per Capita Rate
PLA / Municipal	<12,000	Rural	\$3.20
		Urban	\$3.00
	12,000 - 34,999	Rural	\$2.70
		Urban	\$2.50
	35,000+	Rural	\$2.20
		Urban	\$1.62
Regional	Municipal	Rural	\$2.20
		Urban	\$1.62
	Rural	Rural	\$4.10
		Urban	\$3.90
Integrated	Rural		\$4.10
	Municipal		\$2.20

Urban Regional Districts (RDs), for the purpose of Per Capita Operating Grants, include the Capital (excluding Salt Spring Island and Pender Island), Central Okanagan, Fraser Valley, and Greater Vancouver Regional Districts. All other regional districts are considered Rural RDs.

Libraries with a service population under 40,000 have been assigned “protected” amounts based on previous years’ allocations to prevent excessive funding loss due to changes in population or other challenges.

Dear Minister Boyle,

On behalf of the Board of the Okanagan Regional Library (ORL), I am writing to express my disappointment with the recent reallocation of provincial funds for large urban libraries, a "reallocation" that amounts to an annual funding reduction of \$45,742 for the ORL. This reduction is particularly disappointing in the face of ongoing inflation, and the considerable work done by the ORL and other libraries to engage with the province and advocate for the value of our sector.

The complete lack of consultation or forewarning is even more disappointing than the funding loss itself. The Public Libraries Branch issued no communication about this change prior to dispensing annual grants on June 22, and the grant letters themselves provided no explanation. Library Directors and Boards were left scrambling to determine what had happened, and why. It must be emphasized that June 22 is halfway through the 2026 fiscal year, and well into the 2027 budgeting cycle for many large libraries.

Speaking as the Chair of a Board of 24 locally elected officials, it is my hope that the provincial government will hear, understand, and engage with the needs of local governments. As reflected in the Special Resolution passed at UBCM 2025, public library funding is a stated priority for local governments across BC. Even if increased funding for public libraries is not feasible at this time, we would greatly appreciate open and forthright communication.

We understand the financial constraints under which the provincial government operates and appreciate the province's commitment to continued funding for libraries in small and rural communities. Thank you for hearing our concerns.

Sincerely,

Tasha Da Silva
Okanagan Regional Library Board Chair
Councillor of the City of West Kelowna
